

Operating Systems and Networks (CS3.301) - Mini Project 1

A.I. Usage and Acknowledgments

Chat links:

- 1) Getting Started with the Project:
<https://claude.ai/share/dd7eeb07-594a-4424-a4cc-602371aea819>
- 2) Debugging in Input Redirection:
<https://claude.ai/share/5fb280d2-b504-4bbe-a035-63fd8f093820>
- 3) To understand some parts of AI-generated code and Lexer and Parser
<https://chatgpt.com/share/6a8dcbb4-e98c-83e8-b4a8-9e37fa548cff>
- 4) To understand the C-shell Grammar:
<https://chatgpt.com/share/6a8dcaa-3648-83e9-860a-f4c8e13cc6ea>
- 5) Getting ideas about Implementation of hop command:
<https://chatgpt.com/share/6a8dcd22-9240-83ee-9b1e-361a88342869>
- 6) Getting ideas and debugging code in Input/Output Redirection:
<https://chatgpt.com/share/6a8dce65-94a0-83e9-9762-3f06939581e0>
